Teaching Experience

As a postdoc, I have instructed 50+ undergraduate students as a **guest lecturer** for 4 undergraduate lectures. One of these lectures I **designed myself**. As a graduate student, I have been a teaching assistant for **over 2000 undergraduate students in 16 courses**. From 2018-2023, I was the **Head Marker** for two of the **largest undergraduate courses in Canada** (AST 101/201). In this role I was responsible for both organizing the marking duties of a team of 20+ other graduate teaching assistants and overseeing the grading of all students. I was also a teaching assistant for a graduate course in 2022, and a undergraduate lab course during my senior undergraduate year.
