Teaching Experience

As a postdoc, I have instructed 50+ undergraduate students as a **guest lecturer** for 4 lectures, one of which I **designed myself,** and I attended an APS/AAS teaching workshop. As a graduate student, I took a course on the pedagogy of teaching, and was a teaching assistant (TA) for **16 courses**. From 2018-2023, I was the **Head Marker** for two of the **largest** undergraduate courses in Canada ($\sim$ **1500 students** per semester). In this role I was responsible for organizing the duties of a team of 20+ TAs and overseeing the grading of all students. I also **designed and delivered** a lecture to summer research students. Finally, I was a TA for a graduate course in 2022 and a undergraduate lab course during my senior undergraduate year.
